#### **JOINT STIPULATION**

Pursuant to Civil Local Rule 6-2(a), Plaintiff Dulberg and Defendants Uber Technologies, Inc. and Rasier, LLC (collectively "Uber," and together with Plaintiff, the "Parties") stipulate and agree that:

WHEREAS, on May 7, 2019, the Court rejected final approval of the Parties' original proposed class settlement agreement and stated that the Parties had until May 23, 2019 to revise and agree on new terms; the Court also set a jury trial for August 19, 2019 and a final pre-trial conference for August 7, 2019 in the event that a revised agreement could not be reached. ECF No. 153.

WHEREAS, on May 23, 2019, the Parties notified the Court that they had reached a revised class settlement agreement that addressed the concerns raised by the Court with respect to the original settlement agreement and stated that they intended to move for preliminary approval of the revised agreement. ECF No. 154.

WHEREAS, on May 24, 2019, the Court entered an order stating that "the parties are encouraged to jointly move for preliminary approval of settlement," but noted that "[n]o trial dates or deadlines will be vacated ... until the proposed settlement has been preliminarily approved." ECF No. 155.

WHEREAS, on June 7, 2019, Plaintiff filed an unopposed motion for preliminary approval of the revised settlement agreement. ECF No. 156.

WHEREAS, on June 11, 2019, a hearing on the motion for preliminary approval was set for August 1, 2019 at 8:00 a.m. ECF No. 157.

WHEREAS, the Parties agree that, to allow sufficient time to resolve the motion for preliminary approval and to avoid having to prepare for trial concurrently while the motion is being resolved, the hearing on the motion for preliminary approval should be expedited from August 1, 2019 to July 18, 2019, or some earlier date that is convenient for the Court.

NOW, THEREFORE, pursuant to Civil Local Rule 6-2(a), the Parties STIPULATE and REQUEST that the hearing on the motion for preliminary approval currently set for August 1, 2019 at 8:00 a.m. be expedited to **July 18, 2019**, or some earlier date that is convenient for the

Court.	
In the alternative, if an earlier	hearing date is unavailable or if the Court would prefer not
to move the hearing date, the Parties r	request that the Court consider changing the trial date from
August 19, 2019 to some time on or a	fter September 19, 2019 to allow time to resolve the
preliminary approval motion. While	the Parties are mindful that the Court stated it would not
vacate the trial date until the settlement	nt was preliminarily approved, the Parties submit it would
be inefficient to have both the prelimi	nary approval hearing date and the trial date less than three
weeks apart, and the preliminary appr	oval hearing date and the final pretrial conference less than
one week apart, forcing full preparation	on for a trial even while the motion has been pending on the
preliminary approval of the revised se	ettlement for the time period contemplated by the Court's
May 24, 2019 Order (ECF No. 155).	
IT IS SO STIPULATED.
